# Boudoir

Please let me know about the following:

- How comfortable in general are you about showing your body?
  - How "nude" to you want to get during your session?
- Why are you doing this session? Birthday, lost weight, a gift for your future husband etc.

Please let me know about these questions so that we can get to know each other a bit more before the session. Often, this type of shoot is out of your comfort zone and I want you to feel as comfortable as possible during your session and answering these questions will help me.
