Matric Farewell

2026

Pricing Matrix

Why am I paying so much?

I pride myself in delivering a high quality end product. With matric farewell I take extra care in editing your photos. I skin correct each image, I touch up the eyes and whiten the teeth. A matric farewell is a once in a lifetime occasion, so I want to ensure that when you look at your photos in 5 or 25 years, you will be proud of them and the way you looked. For this reason, I spend extra time on each image to ensure that the image is perfect. Sometimes, 1 image from a matric farewell can take me up to 2 hours to edit, and you will receive more than 30 images.

Venues:

Please let me know what your budget is for the venue and I can suggest a few options to suit your needs and budget.

Paid venues:

You are responsible to make the venue booking and make the payment.

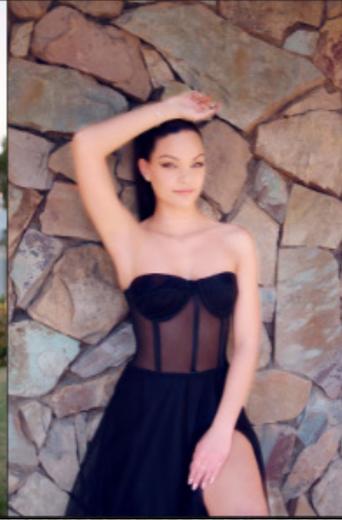

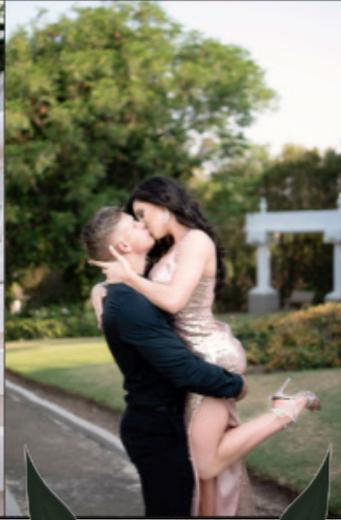

I can however help you with suggestions of stunning venues.

Traveling: If the venue is in Krugersdorp, no traveling fee will be charged.

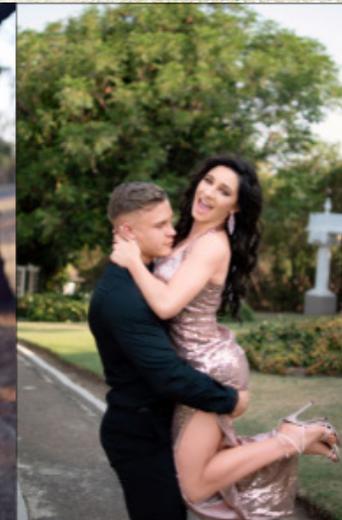

Times:

Please note that I do book up to 3 Matric Farewells per school.

Upon your booking, you need to give me a time. If I am not available at that time, I will give you an alternative time. I do have to work on a first pay, first booked system to make it fair towards the parents/students.
